Made for **Apple**, made for **You**

It is proven that by using the Swissvoice BH01i handset you are reducing radiation going to your head by 97% compared to using a mobile phone.

Made for Apple?

The Made for iPod, Made for iPhone, and Made for iPad logos mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad and has been certified by the developer to meet Apple performance standards.

Siri - Your wish is its command

You can use Siri via your ePure handset, Siri on the iPhone 4S lets you use your voice to send messages, schedule meetings, make phone calls and more. Ask Siri to do things just by talking the way you talk. Siri understands what you say, knows what you mean, and even talks back. Siri is so easy to use and does so much, you'll keep finding more and more ways to use it.
